After another thorough review by the American Camp Association (ACA), our JCC Summer Camp has maintained ACA Accreditation by meeting over 300 standards for health, safety, and program quality. ACA accreditation is the gold standard for camps, and we are thrilled to continue to be part of the select group that perform to the highest standards in the field! The JCC Summer Camp program is one of only four camps in San Antonio to hold this accreditation.

Welcome to J-Camp! I'm Lisa Guerrero, J-Camp Director for the past 11 years. If you are new to the program, we'd like to welcome you and thank you for choosing the JCC as your Summer Camp destination! Those who are returning, we're so glad you're back and can't wait to catch up with you and create new memories. We have been preparing all year to make this the best summer ever. Host an Israeli Shlichim

Shlichim are college-aged Israeli youth who enhance our summer camp program by building a bridge between American youth and Israeli culture. These talented young adults go through an intensive screening and training process in Israel in preparation for spending the summer working at camps in the U.S.

Families are needed to host the two Shlichim who will be coming this summer. Hosts are asked to accommodate one or both individuals for two or three weeks, providing them with a welcoming family and friendly environment. It is an incredible opportunity for families, especially those with children in our camp. Besides being a wonderful experience, your family can receive a camp discount for hosting the Shlichim. Think of it as bringing Israel to your family!

If you are interested in being a host family, please call the Youth and Camping Office at 210-302-6859.
